BRAIN BUILDERS

Expand your child's mind with fun, hands on science and enrichment activities.

Our goal is to continue your child's classroom learning by reinforcing their science, math, phonemic awareness, and writing skills. Monday and Friday's afternoon classes start at 12:30 p.m. and finish at 1:30 p.m. Friday's morning class starts at 10:30 a.m. and finishes at 11:30 a.m., so children can go to lunch bunch before class.

Monday's class is open to 4 and 5 year olds. Friday's classes are open to 3, 4 and 5 year olds. The class size is limited, so please sign up early. Cost is $100.00 for each 10 week session. Payments of $50 can be made at the beginning of each session and again on the 5th week of each session. You'll receive payment coupons at the start of the school year.

Please check the day and session/sessions you wish your child to attend.
