

Hands-On Fun at Home

LESSON 4

Jesus came to show us God's love.

Bible Verse: "So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other" (John 13:34).

Idea!

No matter what time of year it is, make valentines for special people in your life. Use construction paper, fabric scraps, and paper

doilies to make cards of love for each family member. Write one reason you love that person inside the card. Put the person's name on the outside of the card, and set the card near his or her place at the dinner table for a fun, loving surprise.

Talk It Over

Jesus came to show us God's love. In fact, Jesus showed us the supreme example of God's love.

- Who do you know who really needs to experience God's love?
- How can your family follow Jesus' example this week by showing those people God's love?

Faith Walk

Read John 13:1-20 together, and then wash each other's feet! Be sure everyone gets a turn washing. Talk about what it was like to have your feet washed and to wash someone else's feet. Name other ways you can show love to each other.

Check It Out

Read Romans 12:9-10.

How should brothers and sisters love each other? What does it mean to love others more than yourself?

Read Psalm 136:1-3.

What can you do to thank God for his never-ending love?

Read 1 Corinthians 13:4-7.

Tell about someone who showed you love by acting the way described in these verses. How can you follow that person's example?
